SageSure Recognized as a 2020 Best Places to Work in Insurance

Business Insurance Recognizes Outstanding Employers in the Insurance Industry

Jersey City, NJ – November 9, 2020 – SageSure, America’s leading homeowners insurtech measured by premium and profitability, is pleased to announce that it has been selected by Business Insurance as a 2020 Best Places to Work in Insurance recipient. This designation recognizes employers for their outstanding performance in establishing workplaces where employees can thrive, enjoy their work and help their companies grow.

SageSure, an innovation-focused insurance and technology company specializing in residential and commercial insurance products for coastal states, has grown every year since its founding and now has more than 300 employees and \$550 million in premium for over 350,000 policyholders in 14 states.

“Since our inception 15 years ago, SageSure has recognized and celebrated that the driving force of our success is our employees,” said Terry McLean, CEO of SageSure. “We all personify SageSure’s pioneering and entrepreneurial spirit, embracing our shared vision of transforming the insurance industry.”

Best Places to Work in Insurance is an annual sponsored content feature presented by the Custom Publishing unit of Business Insurance and Best Companies Group. Through its analysis of employee engagement, the Best Companies Group annually identifies the leading employers in the insurance industry. The Best Places to Work recognition honors workplace excellence by analyzing company leadership, culture, communication, work environment and benefits.

“This designation reflects our collective effort to achieve our goals through teamwork and positivity,” said Lisa Bernstein, chief administrative officer at SageSure. “We will continue to provide our entire team with opportunities to grow professionally, impact the organization and be recognized for those accomplishments.”
